

Partnering with paperHOST

paperHOST partner pact offers the highly qualified Value Added Reseller (VAR), Independent Selling Group (ISG) or Referral Agent (RA) the opportunity to share in this dynamic and fast growing industry by distributing web-hosted document management solutions to their customers.

If you believe your organization might qualify to be a Partner Pact Member, please identify one of the following categories that best describe your business value proposition and model.

-
- **Independent Selling Group (ISG)** or individual professional representing PaperHost services to their respective customers.
 - **Value Added Reseller (VAR)** who will deliver turnkey solutions that leverage PaperHost services.
 - **Referral Agent (RA)** who will provide a valuable service in qualifying end-user leads for PaperHost products and services.
-

Once you have selected a Partner Pact model, please complete the Partner Pact application by downloading and completing the form our website www.paperhost.com and email it to partnerpact@paperhost.com. Once authorized, we will tailor sales and technical training programs that match your business needs and market.
